

Social Studies, Grade 4

Unit II: Lesson C1

Celebration: **Happy Birthday, State!**

Find out the date when your state achieved statehood.

With others in your class, plan what could be done to appropriately celebrate the birthday of your state. Consult with organizations throughout your state such as Chambers of Commerce and Historical Societies. Create a list of suggested activities to celebrate your state's birthday.

If your state's birthday occurs during the school year, plan a birthday celebration with your classmates. Use the list of suggested activities that you developed.
