

Social Studies, Grade 4

Unit IV: Lesson C2

Presentation: **Government Job Responsibilities**

Research the responsibilities of local government officials in your city. Select one official and arrange to spend some time with this person to gather information regarding job responsibilities.

Using a prepared form, interview the local official about local government. You may wish to record the interview. Take some pictures and gather printed materials that are available to the public.

Share your multi-media presentation with your class.
